

Dear Transplant Physician,

Spread of SARS-CoV-2 poses a challenge to all of us. Therefore, the European Board of Transplantation Medicine (EBTM) extends this year the deadline to apply for the **Honorary Diploma in Transplantation Medicine (HD)**.

**The application for Senior Transplant Physicians starts on April 20, 2020. Deadline for submission of HD applications is September 15, 2020.**

Continuous experience as specialist practicing in recognized National Health Services or University posts for at least 10 years is required.

For more information regarding eligibility criteria, application and evaluation process please visit:
